TRIMIT

## OVERVIEW

TRIMIT is an industry-specific business software solution that has been developed and refined since 1990 for companies that work with:

- Fashion
- Furniture
- Sales and product configuration

With a TRIMIT solution, you have your business information in a centralized system. You can manage information right from initial designs and product configuration to manufacturing, warehousing, sales, and delivery.

Powered by Microsoft's all in one business solution, Dynamics 365 Business Central, TRIMIT provides manufacturers, distributors, wholesalers, and retailers with a flexible and scalable business software solution that covers most of their needs.
